

## Certificate of Analysis

**Productname:** Versatile Rich

**Inspection No:** M03904/0325/536  
**Batchnumber:** 24L05-T02-118385  
**Expiration date:** 31.03.2028  
**Analysed according to:** FSCE-SPEC-0353

**Customer:** FAGRON a.s.  
**Sample Unit:** 1 x 500 g  
**Batch Size:** 1,303 x 500 g

|                        | Requirement                                                        | Result  | Unit  | Standard remark    |
|------------------------|--------------------------------------------------------------------|---------|-------|--------------------|
| CHARACTERS             |                                                                    |         |       |                    |
| Appearance             | Almost white to very light yellow, shiny, dense homogeneous creme. | Conform |       |                    |
| Odour                  | Slight characteristic odour.                                       | Conform |       |                    |
| IDENTIFICATION         |                                                                    |         |       |                    |
| Identification A       | Conform                                                            | Conform |       | Benzoic acid, HPLC |
| Identification B       | Conform                                                            | Conform |       | Sorbic acid, HPLC  |
| TESTS                  |                                                                    |         |       |                    |
| pH                     | 4,4 - 4,6                                                          | 4,6     |       |                    |
| Yield value            | 300 - 600                                                          | 334     | Pa    | 25+ - 2 °C         |
| Viscosity              | 90000 - 180000                                                     | 135400  | mPa.s |                    |
| Density                | 0,96 - 1,00                                                        | 0,98    | g/ml  |                    |
